The Santa Monica Education Foundation (SMMEF) will host its largest, second annual community fundraising event at Pacific Park on the Santa Monica Pier on April 26.

The fun-filled event will include carnival games and rides, face painting, a live DJ, food vendors, and arts and crafts.

More than 1,500 families participated in last year's event, with all proceeds supporting SMMEF-funded programs in the Santa Monica-Malibu Unified School District.

Tickets can be purchased [here](#), and range between \$25-\$175 for general admission and VIP.

## Family Fun-Draiser

Friends and family celebrated the Santa Monica Education Foundation last year with a day of fun in the sun on the pier.
