The Santa Monica-Malibu Education Foundation is excited to announce the second annual Pledge Days, a district-wide event to raise funds and awareness for SMMEF-funded programs throughout the Santa Monica-Malibu Unified School District. In conjunction with the event, the RGK Foundation will match all donations to SMMEF, dollar for dollar, up to \$100,000, through Sept. 30.

From Sept. 26-30, SMMEF and PTA representatives will be at each elementary campus in the district to thank donors and encourage others to donate.

“Last year’s inaugural Pledge Days was tremendously successful and we are thrilled to bring the event back to our community this year,” said Linda Greenberg, Executive Director of SMMEF. “Thank you to the RGK Foundation for their wonderful partnership and ongoing support, which leads to transformational academic experiences for all Santa Monica-Malibu students.”

Donations to the Santa Monica-Malibu Education Foundation fund various programs – from art to STEM to wellness – that shape the schools’ future problem solvers, visionaries and global citizens.
