Visit Whole Foods at 5th and Wilshire in Santa Monica on Tuesday, June 30, from 7 am to 10 pm as the store will be donating 5 percent of their sales for the day to SMMEF to support essential staff and programs for the children in Santa Monica and Malibu public schools.

Many schools use these grants to provide science, technology, engineering and math (STEM) or visual and performing arts programs.

Some schools also use these funds to hire additional health clerks, augment on-site counseling programs, or run other programs focused on student wellness.

â€œBy giving back to the students of the Santa Monica and Malibu public schools, Whole Foods Market is investing in the future of our community,â€ said SMMEF Executive Director Linda Greenberg. â€œThe funds raised will directly benefit SMMEF and we are thankful to Whole Foods Market for their commitment to education."
