

# School Fundraising Success

By Ashley Reynolds / The Malibu Times | Posted: Sunday, September 18, 2016 7:00 am

During a five week matching challenge from Aug. 4 through Sept. 9, the Santa Monica-Malibu Education Foundation raised more \$600,000 for local students. Prompted by a \$70,000 match donation from their corporate partner, Dun & Bradstreet, over 1,000 individual donation gifts were given from the community to help change the lives of Santa Monica-Malibu students.

Dun & Bradstreet established the EdAhead program to support education initiatives in communities where their offices are located. Over the past four years, their match-gift donations have totaled up to more than \$1,000,000.
