

GIVING CIRCLES

Why Join a Giving Circle?

Joining a Giving Circle is about more than giving, it is about leading. These circles recognize the individuals who make our work possible at the highest levels. Your leadership as a Giving Circle donor demonstrates a deep commitment to public education and it inspires others in our community to follow your example and invest in our students. As a member, you receive **exclusive benefits and experiences throughout the year**, including:

- Invitations to private donor receptions and events
- Santa Monica Wine Auction benefits
- Recognition across digital platforms
- The knowledge that you are creating a better future for every student in our district
