

GIVING CIRCLES BENEFITS

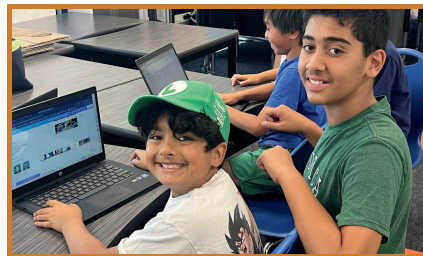

Giving Circle levels are determined by your total giving to the Education Foundation during our fiscal year (July 1-June 30). You are welcome to give your full gift at once, spread payments out, or pledge an amount and pay later.

To receive full benefits for the year, we ask that your total gift be received by June 15. If you plan to join us at the Santa Monica Wine Auction, your paddle raise donations that evening will also count toward your Giving Circle total.
