# \$3,203,730!

Dear Santa Monica-Malibu Education Foundation Supporter,

\$3,203,730: That's how much money we raised last year – thanks to you! – to fund the first-ever Vision for Student Success programs.

During 2013-2014, SMMEF laid the groundwork for a robust, diversified portfolio of sustainable support from individuals (parents and community members), corporations and businesses, foundations and organizations, and events. We worked closely with school and PTA leaders to communicate this new model of fundraising for our schools. In a year of “double fundraising” – meaning, PTAs were still raising money for current year staff and programs while SMMEF was raising money for similar programs a year in advance – we were thrilled that we raised 80% of our goal.

Here are some fun facts about our campaign:

- 2,955 people donated to our campaign. That's **500% more donors** than in 2012-13!
- Of those 2,955 people, 1,956 were first-time donors.
- Of the \$3.2 million raised, 57% came from community members, 27% from parents, 7% from corporations and businesses, 6% from foundations and organizations and 3% from other.
- Two schools had 100% participation!

The best fact of all, however, is that YOU supported our campaign, which means you have made a direct impact on the education of our children.

On February 20, 2014, the SMMUSD Board of Education voted to allocate \$800,000 to our campaign so that the first year of Vision for Student Success programs could be fully implemented in 2014-15. We will keep you updated on the Vision for Student Success programs and how they are positively impacting our schools and making our School District even stronger.

On behalf of our 11,257 students, thank you for being part of this momentous change. We look forward to your continued support.

Sincerely,

Wendy Sidley  
President

Executive Director

# The Importance of Arts – Your Money at Work

## Dream Winds & Dream Strings at John Adams Middle School

Teaching instrumental music to a class of over 50 students is a challenge. Some students will be more advanced while others need reinforcement of relatively simpler skills. That's why SMMEF has been funding the Dream

Winds and Dream Strings program for over a decade.

Dream Winds and Dream Strings allows for the hiring of music coaches to assist classroom teachers. The coaches are able to give small group lessons or work individually with students. Angela Woo, Dept. Chair, Visual and Performing Arts and Director of Instrumental Music at JAMS, explains how important these coaches are to her students'

music experience. "The coaches are necessary to help reinforce what students are learning. They are invaluable. When you have 57 students in your class, this coach provides much-needed support to students, especially those who might need a little extra help."

And it pays off. "I wish you could see the students' faces when they realize the accomplishments they're making through music. Many of our students have never played an instrument before and when you put one in their hands and their faces light up – it's priceless."

Angela explains how students' confidence through music permeates into other subjects, too. "Students have a sense of honor and ownership. You do the work with students every day and when they have that 'aha!' moment – when they get it – that's why I love to teach. The greatest reward is seeing students understand the power of their own success."

## Dance

“ I have many students who are new to dance and walk into the room a little intimidated to move or express themselves in front of their friends. By the end of the class, they are excited and waiting for the next experience in class – it's the best thing. I love experiencing that. ”

**Robert Gilliam**

Visiting Dance Specialist

## Visual Arts Grants

“ This grant makes all the difference for a quality art program! SMMEF’s support has been instrumental in keeping our students well supplied, and my art classroom well-equipped! ”

**Kate Pomatti**

Art Teacher, Lincoln Middle School

“ I appreciate all the support from SMMEF. I am able to build my program with equipment and materials, which makes it a stronger program for all of my students. Students are introduced to photography programs and equipment that they might not otherwise have access to. Our students benefit so much from a much more comprehensive program, thanks to SMMEF’s support. ”

**Carla Bowman-Smith**

Photography, Digital Design, and Studio Art Teacher,  
Malibu High School

“ SMMEF’s support is invaluable for our schools’ art departments. Through SMMEF, I have been able to provide my students with richer, deeper connections to art history and their studio practice. I have acquired books and materials that have served hundreds of students. We urgently need the financial support that SMMEF provides for the Art Department; equally valuable is the sense of community support and the importance that SMMEF places on the arts. ”

**Amy Bouse**

Art Teacher,  
Santa Monica High School

# PIER PARTY!

## Inaugural Community Fundraising Event Raised \$123,400

On Sunday, April 27, 2014, **1,500 Santa Monica and Malibu community members** partied at Pacific Park on the historic Santa Monica Pier in support of SMMEF.

Pier Party activities included rides, games, a live DJ, the Sposato Brothers from Malibu High, touch tanks from the Santa Monica Pier Aquarium, a Santa Monica Police Motorcycle officer, a mime, a magician, arts and crafts run by P.S. Arts, a live auction, and exciting raffle baskets. Income for the event came from ticket sales, a live auction, raffle baskets, and **29 amazing sponsors**.

The Pier Party VIP component took place in Pacific Park's Pavilion and featured **13 of the area's finest restaurants**: Blue Plate Taco, Caffe Luxxe, Chinois on Main, Del Frisco's Grille, FIG, Hostaria del Piccolo, Hotel Erwin, JiRaffe, Joe's/Bar Pintxo, The Lobster, Michael's, Pier Burger, and Wilshire.

Community leaders, including Superintendent Sandra Lyon, Santa Monica City Councilmember Tony Vazquez, Assembly Member Richard Bloom, and SMMUSD School Board members Maria Leon-Vazquez, Ralph Mechur and Nimish Patel were there to meet and greet Party-goers at the rides and games.

With over 100 volunteers, Pier Party was a successful event and a wonderful example of the entire community coming together to support our students and schools.

## Our Endowments

Endowments provide a legacy of support for important programs at schools. Thanks to generous donors, whose funding provides ongoing income, SMMEF has four major endowments:

The ***For Academics Endowment***, established in 1998, was valued at \$1,625,667 as of June 30, 2014. The interest income of \$67,000 was contributed to SMMEF's Vision for Student Success campaign.

The ***For The Arts Endowment***, created in 2003, was valued at \$2,916,691 as of June 30, 2014. \$97,680 was used to fund arts programs at middle and high schools.

The ***Peggy Bergmann Arts Endowment Fund, In Memory of Lenore Bergmann and John Elmer Bergmann***, was created in February 2013 and was valued at \$2,864,265 as of June 30, 2014. Income from this endowment pays for instruments and semi-private music lessons for socio-economically disadvantaged students District-wide, starting in the 2014-15 school year.

SMMEF continues to build its ***For Athletics Endowment***.

Our endowments provide an ongoing and reliable source of funding that ensures consistent programming across the District. Growth of the endowments through donations and investment gains ensures SMMEF can provide students with outstanding programs. When you contribute to an endowment, you create a legacy of support for our students and schools.
