Better Because of You

Dear Friends,

Every day, your support makes incredible things possible in our Santa Monica-Malibu public schools.

Thanks to you, each SMMUSD student has access to an enriched, vibrant education. Students explore the world and their own creativity in visual arts, dance, music and drama. They engineer, code and test hypotheses in science and technology classes. They benefit from small group instruction led by highly trained instructional assistants.

In the 2016-2017 school year, 3,094 of you contributed to fund the outstanding programs above and so much more. Thanks to you, the Ed Foundation funded \$2.5 million in programs in our schools for the 2017-2018 school year.

This report is a celebration of your dedication to our students. Thank you for being our partner to provide an exceptional education for each of them. With your ongoing commitment, we are delivering on the promise of excellent, equitable public education.

With sincerest gratitude,

David Vukadinovich
President

Linda Greenberg
Executive Director

Your Funds in the Classroom

\$2,661,274 for programs, thanks to you!

Programs Funded by Annual Donations

Elementary Arts Education

High-quality arts programs for all elementary students distinguishes SMMUSD as one of the few districts in the state to have a comprehensive TK-12 visual and performing arts program.

Instructional Assistants

Well-trained instructional assistants at all elementary schools enable small group and individualized instruction.

Stretch Grants

Each school receives a grant to provide academic enrichment programs that are unique to its school community. These grants are often used for science and technology, additional arts education, and student health and well-being programs.

Fifth Grade Ballroom Dance

Children learn social dances as they build health, self-esteem and interactive social skills.

Programs Funded By Endowments

Secondary Dance Classes

A visiting dance instructor teaches over 500 students in Santa Monica and Malibu middle schools, promoting fitness while giving students a chance to explore different types of dance.

Dream Winds, Dream Strings and Dream Voice

Additional music coaches assist in wind and string classes at John Adams and Lincoln Middle Schools, and in the 4th and 5th grade wind and voice classes at the four Title 1 elementary schools.

Guitar and Music Performance Classes

Two music classes are offered to students at Olympic High School with 10 hours of instruction per week.

Molly loves her art classes funded by your donations! She put her lessons into action when she visited Yayoi Kusama's exhibit at The Broad.

"She told me all about Kusama's self-portraits and about how she liked making a lot of dots. She also discussed negative space in a painting. She is definitely getting a lot out of the program and is enjoying learning more about art and artists."

-Molly's mom

A wonderful note to donors from Martin Ledford, Chair of Samohi's Photography and Art Department and recipient of an Ed Foundation Visual Arts Grant:

"Thank you so much for making our film scanners happen this year! They have opened a new element to our photography classes: scanning negatives. Two years ago, when Nico Young started shooting color film negatives for the *New York Times* publication, he sparked a revival in color film photography among students. However, we had no way to do professional scans of our negatives. Now we do – thanks to Ed Foundation donors!"

Middle and High School Theatre Programs

Over 500 students perform in theatre programs at Santa Monica High School, Olympic High School, Malibu High School, John Adams Middle School (including SMASH students) and Lincoln Middle School.

Visual Arts Grants

Middle and high school visual arts teachers enhance their curriculum with equipment, materials and supplies.

3rd Grade Recorders

All third graders receive recorders and accompanying music books in their general music classes, the foundation of the District's internationally recognized music program.

Music Lessons and Instruments for Qualifying Students

Students grades 4 through 12 enrolled in the free and reduced lunch program are eligible to take music lessons in strings, voice and winds, and are eligible for free instruments. This gives interested music students the opportunity to further their love of music and excel in the district's award-winning music program. This funding comes from the Peggy Bergmann Arts Endowment Fund, in memory of Lenore Bergmann and John Elmer Bergmann.

Library Grants

Support for all 16 school libraries is available through the American Book Drive partnership.

Fee-Based Programs

Summer Adventure

Co-sponsored with the Santa Monica-Malibu Council of PTAs, Summer Adventure is a summer enrichment program for over 900 students in elementary and middle schools.

Scholarships

The Ed Foundation manages three scholarship funds. The Jimmy Bromberg Memorial Fund provides computers for qualifying students, the Samohi Scholarship Fund provides college scholarships for graduating Samohi students, and Dun & Bradstreet Scholarships provide college scholarships for Dun & Bradstreet SMMUSD summer interns.

Financial Overview

The Ed Foundation supports programs for students through annual contributions, events, endowment income and other earned income sources.
