Thank You

Dear Santa Monica-Malibu Education Foundation Supporter,

In the 2015-2016 school year, 2,798 individual donors joined us as partners in providing an outstanding education to students in the Santa Monica-Malibu public schools. Thanks to you – a committed group of parents, community members, businesses and foundations – the Education Foundation was thrilled to support the district with \$2.57 million for student programs in the 2016-2017 school year.

From arts to STEM to wellness, these funds supported programs that would not exist if the district relied solely on state funds. Our students excelled in visual arts, shined in drama productions, designed innovative experiments in STEM classes, and so much more. Most school districts do not have these enriching programs. We are proud to be part of a community that supports education so strongly.

We invite you to read this report to learn more about the programs funded by generous donations to the Education Foundation and other highlights of our year.

Thank YOU for your partnership each year. It is a privilege to work with our community to ensure that every student, in every school in our district, experiences the empowering education they deserve.

Sincerely,

Kathleen Rawson
President

Linda Greenberg
Executive Director

Programs Snapshot: \$2,576,245 for Students!

Programs Funded by Annual Donations

Elementary Arts Education

High-quality arts programs for all elementary students distinguishes SMMUSD as one of the few districts in the state to have a comprehensive K-12 visual and performing arts program.

Instructional Assistants

Well-trained instructional assistants at all elementary schools enable small group and individualized instruction.

Enrichment Grants

Each school receives a grant to provide academic and enrichment programs that are unique to its school community. These grants are often used for science and technology, additional arts education and student health and well-being programs.

Fifth Grade Ballroom Dance

Children learn social dances as they build health, self-esteem and interactive social skills.

Programs Funded By Endowments

Secondary Dance Classes

A visiting dance instructor teaches over 500 students in Santa Monica and Malibu middle schools and Malibu High, promoting fitness while giving students a chance to explore different types of dance.

Dream Winds, Dream Strings and Dream Voice

Additional music coaches assist in wind and string classes at John Adams and Lincoln Middle Schools, and in the 4th and 5th grade wind and voice classes at the four Title 1 elementary schools.

Guitar and Music Performance Classes

Two music classes are offered to students at Olympic High School with 10 hours of instruction per week.

Middle and High School Theatre Programs

Over 500 students perform in theater programs at Santa Monica High School, Olympic High School, Malibu High School, John Adams Middle School (including SMASH students) and Lincoln Middle School.

Visual Arts Grants

Middle and high school visual arts teachers enhance their curriculum with equipment, materials and supplies.

3rd Grade Recorders

More than 830 third graders receive recorders and accompanying music books in their general music classes.

Music Lessons and Instruments for Qualifying Students

Students grades 4 through 12 enrolled in the free and reduced lunch program are eligible to take music lessons in strings, voice and winds, and are eligible for free instruments. This gives interested students the opportunity to further their love of music and excel in the district's award-winning music program. This funding comes from the Peggy Bergmann Arts Endowment Fund, in memory of Lenore Bergmann and John Elmer Bergmann.

Library Grants

Support for all 16 school libraries is available through the American Book Drive partnership.

Fee-Based Programs

Summer Adventure

Co-sponsored with the Santa Monica-Malibu Council of PTAs, Summer Adventure is a summer enrichment program for over 900 students in elementary and middle schools.

Scholarships

The Ed Foundation manages three scholarship funds. The Jimmy Bromberg Memorial Fund provides computers for qualifying students, the Samohi Scholarship Fund provides college scholarships for graduating Samohi students, and Dun & Bradstreet Scholarships provide college scholarships for Dun & Bradstreet SMMUSD summer interns.

Wine Auction

The inaugural Santa Monica-Malibu Wine Auction, held on Sunday, April 17, 2016, raised more than \$120,000! Over 400 guests attended the sold-out event at the Fairmont Miramar Hotel & Bungalows, the event's sponsor venue. Attendees enjoyed food and wine tastings from 35 local restaurants and beverage purveyors, as well as live, silent and online auctions.

We were overjoyed with the success of this inaugural event. The beautiful location, wonderful food and wine, and exciting auction lots created a magical evening in support of our schools.

Thank you to the attendees, vendors, sponsors and volunteers who made our first Wine Auction a truly outstanding event. We look forward to next year!

Our Endowments

Thanks to forward-thinking, generous donors, the Education Foundation has four endowments.

The *For Academics Endowment*, established in 1998, was valued at \$1,605,553 as of June 30, 2016. Earnings of \$74,000 were contributed to the Ed Foundation's annual campaign.

The *For The Arts Endowment*, created in 2003, was valued at \$2,908,871 as of June 30, 2016. \$130,000 was used to fund arts programs at middle and high schools.

The *Peggy Bergmann Arts Endowment Fund, in Memory of Lenore Bergmann and John Elmer Bergmann*, was created in February 2013 and was valued at \$2,873,463 as of June 30, 2016. Earnings from this endowment pay for instruments and music lessons for socio-economically disadvantaged students district-wide.

The Ed Foundation continues to build its *For Athletics Endowment* and invites those interested in supporting athletics to contact us.

Our endowments provide an ongoing and reliable source of funding that ensures continuity of programming annually across the district. Growth of the endowments through donations and investment gains ensures that the Ed Foundation can provide students with outstanding programs. When you contribute to our endowments, you create a legacy of support for our students and schools.

An Opportunity to Invest in Our Future

The Ed Foundation offers many ways to help ensure our students receive a high-quality education. Contributing to the Ed Foundation benefits public education in our community, now and in the future.

How You Can Join Our Donor Community

- **Annual Donations** of any size are greatly appreciated and every dollar counts.
- **Corporate Gifts** come from businesses and corporations that want to invest in public schools, get involved, and increase their visibility in the community.
- **Endowment Funds** ensure that program funding will be supported in perpetuity by annual income from endowments.
- **Planned Giving** provides an opportunity for donors to ensure their legacy of support for public education through bequests, charitable remainder trusts, charitable remainder annuity trusts, charitable lead trusts, life insurance, and real estate donations.
- **Volunteers** help with events or offer pro-bono professional services to advance our mission. Contribute your special skills in areas such as graphic design, videography, photography, legal services, and office support.
